Subject: Reclamation Surety Required, Academic One Mine, M0450068, Task ID# 1638, Tooele County, Utah

Dear Mr. Miller:

The Division finds your Notice of Intention to Conduct Small Mining for the Academic One Mine complete, however prior to commencing your mining activities the Division must approve the reclamation surety. The reclamation surety is determined to be \$18,600 for the 5- acre project. Beth Ericksen has sent you via email ([rem2161@yahoo.com](mailto:rem2161@yahoo.com)) the surety and reclamation contract forms. Once we receive these completed forms and the Division Director approves them, we will issue final approval for this project.

Please submit the reclamation surety and Reclamation Contract within the next 30 days. No mining related disturbance can be created until the surety is received and approved, and you have received written acceptance from this office as well as other applicable agencies.

Thank you for your cooperation to help finalize this permitting action. In reply, please refer to file number M0450068.

Sincerely,

Susan M. White
